

# American Institute of Biological Sciences

*Dedicated to advancing biological research and education for the welfare of society.*

## 2003 Officers and Board of Directors

### President

Gary Hartshorn  
Organization for Tropical Studies

### President-Elect

Joel Cracraft  
American Museum  
of Natural History

### Immediate Past-President

Gene Likens  
Institute of Ecosystem Studies

### Secretary

Dan L. Johnson (2002–2004)  
University of Lethbridge  
and Research Centre

### Treasurer

H. Jane Brockmann (2001–2003)  
University of Florida

### Board Members

Patricia Gensel  
(2001–2003)  
University of North Carolina

Christopher Haufler  
(2003–2005)  
University of Kansas

Kent Holsinger  
(2003–2005)  
University of Connecticut

Mary A. McKenna  
(2002–2004)  
Howard University

Richard Norgaard  
(2001–2003)  
University of California–Berkeley

David Pimentel  
(2002–2004)  
Cornell University

Barbara Schaal  
(2002–2004)  
Washington University

Gordon Uno  
(2002–2004)  
University of Oklahoma

Richard T. O'Grady (ex-officio)  
AIBS Executive Director

## Member Society and Organization Council Representatives

**American Arachnological Society**  
Brent D. Opell  
Virginia Tech

**American Association of Botanical Gardens and Arboreta**  
Nancy Morin  
AABGA

**American Bryological and Lichenological Society**  
Paula DePriest  
NMNH

**American College of Toxicology**  
Robert E. Osterberg  
FDA

**American Fern Society**  
Judith Skog  
George Mason University

**American Fisheries Society**  
Charles R. Berry, Jr.  
South Dakota State University

**American Malacological Society**  
Robert T. Dillon, Jr.  
College of Charleston

**American Museum of Natural History**  
Michael Novacek  
AMNH

**American Ornithologists' Union**  
Helen James  
NMNH

**American Phytopathological Society**  
James D. MacDonald  
University of California, Davis

**American Society for Gravitational and Space Biology**  
Tom Scott  
University of North Carolina

**American Society for Photobiology**  
J. Woodland Hastings  
Harvard University

**American Society of Agronomy**  
Charles Stuber  
North Carolina State University

**American Society of Ichthyologists and Herpetologists**  
Alan H. Savitzky  
Old Dominion University

**American Society of Limnology and Oceanography**  
William Lewis, Jr.  
University of Colorado

**American Society of Mammalogists**  
Alicia Linzey  
Indiana University of Pennsylvania

**American Society of Naturalists**  
Johanna Schmitt  
Brown University

**American Society of Parasitologists**  
Harry Danforth  
USDA

**American Society of Plant Biologists**  
Thomas Hodges  
Perdue University

**American Society of Plant Taxonomists**  
Laurence Dorr  
NMNH

**American Type Culture Collection**  
Raymond Cypess  
ATCC

**Animal Behavior Society**  
Meredith West  
Indiana University

**Association for Tropical Biology**  
Larry Rockwood  
George Mason University

**Association of College and University Biology Educators**  
Presley Martin  
Hamline University

**Association of Ecosystem Research Centers**  
David White  
Murray State University

**Association of Southeastern Biologists**  
Geraldine Twitty  
Howard University

**Biological Sciences Curriculum Study**  
David Hanych  
BSCS

**BioQUEST Curriculum Consortium**  
Ethel Stanley  
Beloit College

**BIOSIS**  
Joel Hammond  
BIOSIS

**Botanical Society of America**  
James Mickle  
North Carolina State University

**Cell Stress Society International**  
Len Neckers  
National Cancer Institute

**Cooper Ornithological Society**  
J. Michael Scott  
University of Idaho

**Council of Science Editors**  
Barbara Meyers  
Meyers Consulting Services

**Crop Science Society of America**  
Charles Stuber  
North Carolina State University

**Ecological Society of America**  
Mary McKenna  
Howard University

**Entomological Society of America**  
Dennis Kopp  
USDA

**Entomological Society of Canada**  
Dan Johnson  
Agriculture and Agri-Food Canada

**Estuarine Research Federation**  
Dennis Allen  
University of South Carolina

**Freshwater Mollusk Conservation Society**  
Kari Duncan  
US Fish and Wildlife Service

**The Helminthological Society of Washington**  
William Moser  
National Museum of Natural History

**Herpetologists' League**  
Joe Mitchell  
University of Richmond

**Human Anatomy & Physiology Society**  
Christine Martin  
University of Maryland

**International Association for Landscape Ecology, US Region**  
K. Bruce Jones  
US EPA

**International Society for Ecological Economics**  
Richard Norgaard  
University of California – Berkeley

**International Society for Ecological Modelling**  
Edward Rykiel, Jr.  
Washington State University

**International Society for Ecosystem Health**  
Robert Costanza  
University of Maryland

**Mycological Society of America**  
Clark L. Ovrebo  
University of Central Oklahoma

**National Association of Biology Teachers**  
Gordon Uno  
University of Oklahoma

**National Association of Marine Laboratories**  
Madilyn Fletcher  
University of South Carolina

**National Museum of Natural History**  
Laurence Dorr  
NMNH

**National Shellfisheries Association**  
Dan Kreeger  
Academy of Natural Sciences

**Natural Areas Association**  
Gerry Wright  
University of Idaho

**Natural Science Collections Alliance**  
Brian Boom  
All Species Foundation

**The Nature Conservancy**  
Deborah Jensen  
TNC

**New York Botanical Garden**  
Michael J. Balick  
New York Botanical Garden

**North American Benthological Society**  
Leonard Smock  
Virginia Commonwealth University

**North American Lake Management Society**  
Jean Jacoby  
Seattle University

**Organization for Tropical Studies**  
Gary Hartshorn  
OTS

**Organization of Biological Field Stations**  
Eric Nagy  
University of Virginia

**The Orthopterists' Society**  
Jeff Lockwood  
University of Wyoming

**Phi Sigma Biological Sciences Honor Society**  
Catherine Woodworth Wong  
Yale University

**Phycological Society of America**  
Michelle Wood  
University of Oregon

**Poultry Science Association**  
John Proudman  
USDA-ARS

**Radiation Research Society**  
Sara Rockwell  
Yale University School of Medicine

**Royal Swedish Academy of Sciences**  
Erling Norrby  
RSAS

**Society for Conservation Biology**  
Alan Thornhill  
SCB

**Society for Ecological Restoration**  
Steven Handel  
Rutgers University

**Society for Economic Botany**  
Janis Alcorn  
Society for Economic Botany

**Society for In Vitro Biology**  
Sandra L. Schneider  
Research and Clinical Laboratory Systems

**Society for Industrial Microbiology**  
Carol Litchfield  
George Mason University

**Society for Integrative and Comparative Biology**  
Marvalee Wake  
University of California–Berkeley

**Society for Mathematical Biology**  
Torcom Chorbajian  
SMB

**Society for Sedimentary Geology**  
Howard E. Harper  
SEPM

**Society for the Study of Amphibians and Reptiles**  
Alan Savitzky  
Old Dominion University

**Society for the Study of Evolution**  
Kent Holsinger  
University of Connecticut

**Society of Environmental Toxicology and Chemistry**  
Jeffery A. Foran  
Citizens for a Better Environment

**Society of Nematologists**  
Peter Masler  
USDA-ARS

**Society of Protozoologists**  
Edna Kaneshiro  
University of Cincinnati

**Society of Systematic Biologists**  
Elizabeth Zimmer  
NMNH

**Society of Wetland Scientists**  
Janet Keough  
USGS Patuxent Wildlife Research Center

**Soil Science Society of America**  
Charles Stuber  
North Carolina State University

**Southern Appalachian Botanical Society**  
Charles Horn  
Newberry College

**Torrey Botanical Society**  
Steven Handel  
Rutgers University

**US Federation for Culture Collections**  
Micah Krichevsky  
Bionomics International

**Weed Science Society of America**  
Rob Hedberg  
National & Regional Weed Science Societies

**Western Society of Naturalists**  
Carol Blanchette  
University of California – Santa Barbara
