

2004 Officers and Board of Directors

President

Joel Cracraft
American Museum of Natural History

President-Elect

Marvalee Wake
University of California—Berkeley

Immediate Past-President

Gary Hartshorn
World Forestry Center

Secretary

Dan L. Johnson (2002–2004)
University of Lethbridge and Research Centre

Treasurer

Richard B. Norgaard (2004–2006)
University of California—Berkeley

Board Members

Arturo Gómez-Pompa (2004–2006)
University of California—Riverside

Christopher Haufler (2003–2005)
University of Kansas

Kent Holsinger (2003–2005)
University of Connecticut

Mary A. McKenna (2002–2004)
Howard University

David Pimentel (2002–2004)
Cornell University

Barbara Schaal (2002–2004)
Washington University

J. Michael Scott (2004–2006)
University of Idaho

Gordon Uno (2002–2004)
University of Oklahoma

Richard T. O'Grady (ex-officio)
AIBS Executive Director

Member Society and Organization Council Representatives

American Arachnological Society
Brent D. Opell
Virginia Tech

American Association of Botanical Gardens and Arboreta
Richard Piacentini
Phipps Conservatory

American Bryological and Lichenological Society
Paula DePriest
NMNH

American College of Toxicology
John E. Atkinson
Amgen, Inc.

American Fern Society
Judith Skog
George Mason University

American Fisheries Society
Charles R. Berry, Jr.
South Dakota State University

American Malacological Society
Robert T. Dillon, Jr.
College of Charleston

American Museum of Natural History
Michael Novacek
AMNH

American Ornithologists' Union
Kevin Omland
University of Maryland

American Phytopathological Society
James D. MacDonald
University of California, Davis

American Society for Gravitational and Space Biology
Tom Scott
University of North Carolina

American Society for Photobiology
J. Woodland Hastings
Harvard University

American Society of Agronomy
Charles M. Stuber
North Carolina State University

American Society of Ichthyologists and Herpetologists
Alan H. Savitzky
Old Dominion University

American Society of Limnology and Oceanography
William Lewis, Jr.
University of Colorado

American Society of Mammalogists
Alicia Linzey
Indiana University of Pennsylvania

American Society of Naturalists
Johanna Schmitt
Brown University

American Society of Parasitologists
Harry Danforth
USDA

American Society of Plant Biologists
Thomas Hodges
Purdue University

American Society of Plant Taxonomists
Laurence Dorr
NMNH

American Type Culture Collection
Raymond Cypess
ATCC

Animal Behavior Society
Meredith West
Indiana University

Association for Tropical Biology and Conservation
Larry Rockwood
George Mason University

Association of College and University Biology Educators
Presley Martin
Hamline University

Association of Ecosystem Research Centers
David White
Murray State University

Association of Southeastern Biologists
Geraldine Twitty
Howard University

Biological Sciences Curriculum Study
Jerry Phillips
BSCS

BioQUEST Curriculum Consortium
Ethel Stanley
Beloit College

Botanical Society of America
Patricia Gensef
University of North Carolina

Cell Stress Society International
Len Neckers
National Cancer Institute

Center for the Environment, Cornell University
Mark Bain
CFE

Cooper Ornithological Society
J. Michael Scott
University of Idaho

Council of Science Editors
Barbara Meyers
Meyers Consulting Services

Crop Science Society of America
Charles M. Stuber
North Carolina State University

Ecological Society of America
Mary McKenna
Howard University

Entomological Society of America
Dennis Kopp
USDA

Entomological Society of Canada
Dan Johnson
Agriculture and Agri-Food Canada

Estuarine Research Federation
Dennis Allen
University of South Carolina

Freshwater Mollusk Conservation Society
Kari Duncan
US Fish and Wildlife Service

The Helminthological Society of Washington
William Moser
National Museum of Natural History

Herpetologists' League
Joe Mitchell
University of Richmond

Human Anatomy and Physiology Society
Christine Martin
University of Maryland

International Association for Landscape Ecology, US Region
K. Bruce Jones
US EPA

International Society for Ecological Modelling
Edward Rykiel, Jr.
Washington State University

Kansas (Central States) Entomological Society
Mary Liz Jameson
University of Nebraska State Museum

Mycological Society of America
Clark L. Övrebö
University of Central Oklahoma

National Association of Biology Teachers
Gordon Uno
University of Oklahoma

National Association of Marine Laboratories
Madilyn Fletcher
University of South Carolina

National Museum of Natural History
Laurence Dorr
NMNH

National Shellfisheries Association
Sandra E. Shumway
University of Connecticut

Natural Areas Association
Gerry Wright
University of Idaho

Natural Science Collections Alliance
Brian Boom
All Species Foundation

New York Botanical Garden
Michael J. Balick
New York Botanical Garden

North American Benthological Society
Leonard Smock
Virginia Commonwealth University

North American Lake Management Society
Jean Jacoby
Seattle University

Organization for Tropical Studies
Donald Stone
OTS

Organization of Biological Field Stations
Eric Nagy
University of Virginia

The Orthopterists' Society
Jeff Lockwood
University of Wyoming

Phi Sigma Biological Sciences Honor Society
Gene K. Wong
Quinnipiac University

Physiological Society of America
Michelle Wood
University of Oregon

Poultry Science Association
John Proudman
USDA—ARS

Radiation Research Society
Sara Rockwell
Yale University School of Medicine

Royal Swedish Academy of Sciences
Erling Norrby
RSAS

Society for Conservation Biology
Alan Thornhill
SCB

Society for Economic Botany
Janis Alcorn
Society for Economic Botany

Society for In Vitro Biology
Sandra L. Schneider
Research and Clinical Laboratory Systems

Society for Industrial Microbiology
Carol Litchfield
George Mason University

Society for Integrative and Comparative Biology
Marvalee Wake
University of California—Berkeley

Society for Mathematical Biology
Torcom Chorbajian
SMB

Society for Sedimentary Geology
Howard E. Harper
SEPM

Society for the Study of Amphibians and Reptiles
Alan Savitzky
Old Dominion University

Society for the Study of Evolution
Kent Holsinger
University of Connecticut

Society of Environmental Toxicology and Chemistry
Anne Fairbrother
US EPA

Society of Nematologists
Peter Masler
USDA-ARS

Society of Protozoologists
Edna Kaneshiro
University of Cincinnati

Society of Systematic Biologists
Elizabeth Zimmer
NMNH

Society of Wetland Scientists
Janet Keough
USGS Patuxent Wildlife Research Center

Soil Science Society of America
Charles M. Stuber
North Carolina State University

Southern Appalachian Botanical Society
Charles Horn
Newberry College

Southwestern Association of Naturalists
Edie Marsh-Matthews
Sam Noble Oklahoma Museum of Natural History

Torrey Botanical Society
Steven Handel
Rutgers University

US Federation for Culture Collections
Micah Krichevsky
Bionomics International

US Society for Ecological Economics
Richard Norgaard
University of California—Berkeley

Weed Science Society of America
Rob Hedberg
National and Regional Weed Science Societies

Western Society of Naturalists
Carol Blanchette
University of California—Santa Barbara
