

**2005 Officers and Board of Directors**

**President**

Marvalee Wake  
University of California–Berkeley

**President-Elect**

Kent E. Holsinger  
University of Connecticut

**Immediate Past-President**

Joel Cracraft  
American Museum of Natural History

**Secretary**

Dan L. Johnson  
(2005–2007)  
University of Lethbridge and Research Centre

**Treasurer**

Richard B. Norgaard  
(2004–2006)  
University of California–Berkeley

**Board Members**

Charles Berry  
(2005–2007)  
South Dakota State University

Arturo Gómez-Pompa  
(2004–2006)  
University of California–Riverside

Christopher Hauffler  
(2003–2005)  
University of Kansas

Mary A. McKenna  
(2005)  
Howard University

Barbara Schaal  
(2005–2007)  
Washington University

J. Michael Scott  
(2004–2006)  
University of Idaho

Geraldine W. Twitty  
(2005–2007)  
Howard University

Gordon Uno  
(2005–2007)  
University of Oklahoma

Richard T. O'Grady  
(ex-officio)  
AIBS Executive Director

**Member Society and Organization Council Representatives**

**American Arachnological Society**  
Brent D. Opell  
Virginia Tech

**American Association of Botanical Gardens and Arboreta**  
Richard Piacentini  
Phipps Conservatory

**American Bryological and Lichenological Society**  
Paula DePriest  
NMNH

**American Fern Society**  
Judith Skog  
George Mason University

**American Fisheries Society**  
Charles R. Berry Jr.  
South Dakota State University

**American Malacological Society**  
Robert T. Dillon Jr.  
College of Charleston

**American Museum of Natural History**  
Michael Novacek  
AMNH

**American Ornithologists' Union**  
Kevin Omland  
University of Maryland

**American Phytopathological Society**  
John Andrews  
University of Wisconsin

**American Society for Gravitational and Space Biology**  
Tom Scott  
University of North Carolina

**American Society for Photobiology**  
Thomas Moore  
Arizona State University

**American Society of Agronomy**  
Ellen Bergfeld  
ASA

**American Society of Ichthyologists and Herpetologists**  
Alan Savitzky  
Old Dominion University

**American Society of Limnology and Oceanography**  
William Lewis Jr.  
University of Colorado

**American Society of Mammalogists**  
Alicia Linzey  
Indiana University of Pennsylvania

**American Society of Naturalists**  
Richard Grosberg  
University of California–Davis

**American Society of Parasitologists**  
Harry Danforth  
USDA

**American Society of Plant Biologists**  
Thomas Hodges  
Purdue University

**American Society of Plant Taxonomists**  
Laurence Dorr  
NMNH

**American Type Culture Collection**  
Raymond Cypess  
ATCC

**Animal Behavior Society**  
Meredith West  
Indiana University

**Association for Politics and Life Sciences**  
David Goetze  
Utah State University

**Association for Tropical Biology and Conservation**  
Larry Rockwood  
George Mason University

**Association of College and University Biology Educators**  
Presley Martin  
Hamline University

**Association of Ecosystem Research Centers**  
David White  
Murray State University

**Association of Southeastern Biologists**  
Geraldine Twitty  
Howard University

**Biological Sciences Curriculum Study**  
Jerry Phillips  
BSCS

**BioQUEST Curriculum Consortium**  
Ethel Stanley  
Beloit College

**Botanical Society of America**  
Patricia Gensel  
University of North Carolina

**Cell Stress Society International**  
Len Neckers  
National Cancer Institute

**Cornell Center for the Environment**  
Mark Bain  
Cornell University

**Coastal Education and Research Foundation**  
Theresa Pickel  
Allen Communication Group

**Cooper Ornithological Society**  
J. Michael Scott  
University of Idaho

**Council of Science Editors**  
Barbara Meyers  
Meyers Consulting Services

**Crop Science Society of America**  
Mary Bergfeld  
CSSA

**Ecological Society of America**  
Mary McKenna  
Howard University

**Entomological Society of America**  
Dennis Kopp  
USDA

**Entomological Society of Canada**  
Dan Johnson  
University of Lethbridge and Research Centre

**Estuarine Research Federation**  
Linda Schaffner  
College of William and Mary

**Freshwater Mollusk Conservation Society**  
Karl Duncan  
US Fish and Wildlife Service

**The Helminthological Society of Washington**  
William Moser  
NMNH

**Herpetologists' League**  
Joe Mitchell  
University of Richmond

**Human Anatomy and Physiology Society**  
Christine Martin  
University of Maryland

**International Association for Landscape Ecology, US Region**  
K. Bruce Jones  
US EPA

**International Society for Ecological Modelling**  
Edward Rykiel Jr.  
Washington State University

**Kansas (Central States) Entomological Society**  
Mary Liz Jameson  
University of Nebraska State Museum

**Mycological Society of America**  
Albert Torzilli  
George Mason University

**National Association of Biology Teachers**  
Gordon Uno  
University of Oklahoma

**National Association of Marine Laboratories**  
Madilyn Fletcher  
University of South Carolina

**National Museum of Natural History**  
Laurence Dorr  
NMNH

**National Shellfisheries Association**  
Sandra E. Shumway  
University of Connecticut

**Natural Areas Association**  
Gerry Wright  
University of Idaho

**Natural Science Collections Alliance**  
Brian Boom  
New York Botanical Garden

**NatureServe**  
Bruce Stein  
NatureServe

**New York Botanical Garden**  
Michael J. Balick  
New York Botanical Garden

**North American Benthological Society**  
Leonard Smock  
Virginia Commonwealth University

**North American Lake Management Society**  
Jean Jacoby  
Seattle University

**Organization for Tropical Studies**  
Donald Stone  
OTS

**Organization of Biological Field Stations**  
Eric Nagy  
University of Virginia

**The Orthopterists' Society**  
Jeffrey Lockwood  
University of Wyoming

**Phi Sigma Biological Sciences Honor Society**  
Gene K. Wong  
Quinnipiac University

**Phycological Society of America**  
Michelle Wood  
University of Oregon

**Poultry Science Association**  
John Proudman  
USDA–ARS

**Radiation Research Society**  
Sara Rockwell  
Yale University School of Medicine

**Society for Conservation Biology**  
Alan Thornhill  
SCB

**Society for Economic Botany**  
Janis Alcorn  
SEB

**Society for In Vitro Biology**  
Sandra L. Schneider  
Research and Clinical Laboratory Systems

**Society for Industrial Microbiology**  
Carol Litchfield  
George Mason University

**Society for Integrative and Comparative Biology**  
Marvalee Wake  
University of California–Berkeley

**Society for Mathematical Biology**  
Torcom Chorbajian  
SMB

**Society for Northwestern Vertebrate Biology**  
Deanna H. Olson  
USDA Forest Service

**Society for Range Management**  
Merwyn M. Kothmann  
Texas A&M University

**Society for Sedimentary Geology**  
Howard E. Harper  
SEPM

**Society for the Study of Amphibians and Reptiles**  
Alan Savitzky  
Old Dominion University

**Society for the Study of Evolution**  
Kent Holsinger  
University of Connecticut

**Society of Environmental Toxicology and Chemistry**  
William Stubblefield  
Parametrix, Inc.

**Society of Nematologists**  
Peter Masler  
USDA–ARS

**Society of Protozoologists**  
Edna Kaneshiro  
University of Cincinnati

**Society of Systematic Biologists**  
Elizabeth Zimmer  
NMNH

**Society of Wetland Scientists**  
Janet Keough  
USGS Patuxent Wildlife Research Center

**Soil Science Society of America**  
Ellen Bergfeld  
SSSA

**Southern Appalachian Botanical Society**  
Charles Horn  
Newberry College

**Southwestern Association of Naturalists**  
Edie Marsh-Matthews  
Sam Noble Oklahoma Museum of Natural History

**Torrey Botanical Society**  
Steven Handel  
Rutgers University

**US Federation for Culture Collections**  
Micah Krichevsky  
Bionomics International

**US Society for Ecological Economics**  
Richard Norgaard  
University of California–Berkeley

**Weed Science Society of America**  
Rob Hedberg  
National and Regional Weed Science Societies

**Western Society of Naturalists**  
Carol Blanchette  
University of California–Santa Barbara

**The Wildlife Society**  
Richard Lancia  
North Carolina State University
